2. Admissions Counselling Process

Each candidate who has been allotted a seat at any NLU may exercise any of the 'Freeze', 'Float', or 'Exit' options in a counselling round based on the conditions set out below:

- 2.1 **Freeze option:** If the candidate is satisfied with the allotted seat, accepts it, and is not interested in participating in further rounds of seat allocation/ counselling, they may 'Freeze' the seat allocation.
 - 2.1.1 In order to 'Freeze' their seat in the **First** or **Second** round of counselling, the candidate must pay the **Confirmation Fee** within the stipulated time in the Admissions Counselling Calendar in para 7 below.
 - 2.1.2 A candidate who selects the Freeze Option and pays the Confirmation Fee (in the **First** or **Second** round) will NOT be considered in subsequent rounds of counselling.
 - 2.1.3 A candidate who selects the Freeze Option in the **First** or **Second** round of counselling must pay the remaining University Fee (after adjusting the Counselling Registration Fee and Confirmation Fee) to the NLU concerned by **11:59 P.M. on May 20, 2023**).
 - 2.1.4 In order to 'Freeze' their seat in the the **Third**, **Fourth**, or **Fifth** round of the Admissions Counselling Process, the candidate must pay the University Fee (after adjusting for Confirmation Fee—if paid in the first and second rounds of counselling—and Counselling Registration Fee) to the NLU concerned by the date set out in the Admissions Counselling Calendar in para 7 below.
- 2.2 **Float option:** If the candidate has not been allotted their first preference NLU and chooses to leave 'open' the possibility of getting a higher preference NLU seat they may choose the 'Float' Option.
 - 2.2.1 To exercise the Float Option in the **First** or **Second** round of counselling, the candidate must pay the **Confirmation Fee** within the time stipulated in the Admissions Counselling Calendar in para 7 below.
 - 2.2.2 To exercise the Float Option in the **Third** or **Fourth** round of counselling, a candidate shall pay the University Fee to the NLU (after adjusting for Confirmation Fee—if paid in the first and second rounds of counselling—and Counselling Registration Fee) in respect of the seat allotted to them in that round of counselling within the time stipulated in the Admissions Counselling Calendar in para 7 below.
 - 2.2.3 Under the Float Option, the candidate may hold the seat allotted to them, and if they are allotted a higher preference NLU seat in a subsequent counselling round, they shall move to that more preferred NLU.

- 2.2.4 If a candidate who had opted for the Float option in a counselling round is allotted a higher preference NLU seat in a subsequent counselling round, they shall pay the difference in University Fees if any in respect of the seat allotted to them in that subsequent counselling round and the University Fees they may have already paid in a previous counselling round while exercising the Float option. If the balance University Fees already paid by the candidate in a previous counselling round is higher than the University Fees in respect of the candidate's higher preferred NLU seat allotted to them, then they shall receive a refund of the excess amount paid by them. Candidates shall approach the NLU concerned directly in order to receive such refunds.
- 2.2.5 A candidate who has chosen the Float Option must, at the end of the counselling process, Freeze the available allocation or Exit the Admissions Counselling Process and forfeit the Confirmation Fee.
- 2.3 A candidate awarded a seat that is at the time of allocation highest on their list of preferences may not exercise the 'Float' option; i.e., they may either 'Freeze' that seat, or 'Exit' the Admissions Counselling Process within that round of counselling.
- 2.4 The 'Float' option may not be used to migrate to a seat lower in preference in the candidate's preference list.
- 2.5 The 'Float' option will expire after the **Fourth** round of counselling, will not be available for the **Fifth** and final round of counselling, and the last allotted seat will be considered final. At this point, candidates will have to choose to either "Freeze" or "Exit" the Admissions Counselling Process.
- 2.3 **Exit option:** If at any time after completing the Registration Process, a candidate does not want to participate any further in the Counselling Process, they may choose to 'Exit' the Admissions Counselling Process. If a candidate has chosen a Float or Freeze Option prior to the Exit option, the seat allocated to them will be reallocated and the Confirmation Fee will be forfeited. No candidate will be allotted a seat after choosing the Exit option.
- 2.4 **Confirmation Fee:** An eligible candidate who has been allotted a seat as per their indicated NLU preferences will be required to pay a non-refundable Confirmation Fee of Rs. 20,000/- (Rupees Twenty thousand only) prior to selecting a 'Freeze' or 'Float' option in the **First** and **Second** rounds of counselling.
