- The fees are to be paid no later than 9th August 2024 (11:00 PM IST). A separate communication will be sent to you containing the link to the portal for the payment of fees on 8th August 2024.
- Your admission is subject to payment of the fees and verification of the documents submitted by you.
- The list of candidates admitted to the programme will be published on 10th August 2024. In case you cancel your admission, the fees would be refunded as per the prevailing UGC norms, only after 18 September 2024.
- Candidates who fail to pay their fees until the last date will not be considered in the subsequent round of admission.
- Once a vacancy is created in one stream, there will be category-wise horizontal movement
 across other streams, subject to stream preferences, merit rank and the candidate's willingness
 to shift the stream. For example, a candidate whose first preference was physics but who has
 been allotted another stream will be considered for her/his first preference if a vacancy in
 physics is created subject to the aforementioned conditions.
